

Parent workshop

Friday May 10th, 8:00

In the AP room 2nd floor PYP building

Inquiry Math using Numicon

Find out how we use this resource throughout the primary school to inquire into mathematical concepts and show our mathematical understandings.

Suitable for all age groups EY-G5

- Additional items may be added through the week. Any questions or items you wish to add please email

junev@kis.ac.th

Looking forward to seeing you there

June and Gerry

Thanks
