

Diwali Celebrations

Friday Nov. 16th, 2018

Our Indian community are going to share some of their favorite activities from their Diwali celebration last week. This is a great opportunity for all our students to learn about other cultures and traditions.

Students and teachers are encouraged to wear Indian traditional costume if they wish and join in the fun.

I'd like to personally thank those involved in supporting the school and sharing their rich culture with us.

Many thanks
June
