

11th February 2019

Dear KG Parents,

KG students' current unit of inquiry, "Family Histories", focuses on how personal identities connect to family histories. Since this inquiry involves identifying how all of this is connected to culture, we have arranged for our students to visit The Jim Thompson House on Tuesday 19th February, 2019.

Jim Thompson House is the Bangkok home and Asian art collection of the late James H.W. Thompson, also known as the "Thai Silk King". Students will be able to explore and identify different elements of identity and Thai culture for example: food, clothes, plants, buildings, etc.
