

30th January, 2019

Dear Parents,

As you are all aware we are now closed tomorrow and Friday due to the air quality and the subsequent Ministry of Education decision.

The teachers have been uploading work and activities onto the class blogs for the students to do in the absence of school. They will be checking in at 8:00 tomorrow morning to begin the day, and will be available to consult and support student learning over the next two days.

You can access Student Home Learning through the blog by going to the KIS website, clicking on the web portal (the red tab at the top of the page) and then your class blog. The Home learning Tab is in the right hand column. Your children, G1 and above, are aware of what to do and how to access their tasks.

Early Years 1, 2, and KG parents you will find some activities in the packages sent home this afternoon and some additional activities and information on the blog.

We had several events planned over the next two days. I will send information at a later date to reschedule.

If you have any questions, please email your child's teacher, or drop me a line at junev@kis.ac.th. I will be in touch with further information in the next day or two.

Many thanks for your continued support,

Warm regards,

A handwritten signature in blue ink that reads 'June van den Bos'.
