Dear Parents,

A big thank you to the parents who attended the forums over the past two weeks, we do hope you found them useful as a review, and as a means of being prepared, should we need to return to a remote learning situation at any time in the future. I will post the slideshow on the KIS community blog accessible from the KIS portal www.kis.ac.th

Loy Kratong:

We will be celebrating Loy Kratong on Thursday, October 29th after the break. Students are welcome to dress in their Thai costume if they wish. We will be having Kratong making during class time, this will be a little different this year due to some of the pandemic restrictions and our use of space. However, it will still be a fun and informative day for the students.

Halloween:

Our Halloween celebrations will take place on Friday, October 30th, Everyone is invited to dress-up or dress-down for the occasion, lots of house points to be won for your originality and creativity - a great activity to think about over the mid-term break. . We will be having a parade, treats, and scary activities organized by G4 and G5 this year. Unfortunately, we will not be able to invite parents to the parade this year but we will make sure we have lots of video and photographs to share.

Pinktober:

Along with the celebrations above, we will also be supporting a KISPA initiative, promoting a fundraiser for Pinktober, an international event to raise awareness and funds for Breast Cancer Research and Support. KISPA will forward further information about how you can help.

Thank you all for your continued support, have a wonderful relaxing and safe break. See you all on Monday, October 26th for an action-packed week! Many thanks.

Kind regards,

June van den Bos
