

Dear Parents,

A big thank you to all our parents for their generosity with the gift-giving, card sales, red bin collections, flood relief, medical supplies and other community support initiatives that have been happening in the last few weeks. Your participation is much appreciated by many and highlights our KIS Spirit. The gifts were picked up and given out at a charity Christmas Party on Sunday. Pictures to follow shortly!

Unfortunately, as previously mentioned, the number of parents allowed into the classroom for parties this year is limited. Please check with the homeroom teacher for details. We know that we all like to get together and socialize at these special events, but due to restrictions, we cannot do this for this year. We will look at ways to invite parents into the classrooms in the new year, so we can continue to share learning and build community.

The Red Bins had one collection last Friday but Debbie will be back again at the end of the week for any other donations that may arrive. Please check the [Red Bin](#) flyer for more information.

On the last day of the term, we are going ahead with our KISPA Holiday Marketplace. We do need everyone's cooperation for this to be a success. We do want everyone to attend with their children but also to be mindful of overcrowding, distancing and the length of time you attend. Please try to self-monitor, wear your mask, distance, stay an hour or so, shop, have fun and enjoy.

The three assemblies/shows will take place with G3 at 9:00, G4 at 10:00 and G5 at 11:00 parents of these students are welcome to attend and enjoy their sharing. School closes at noon for the start of the holidays.

If you have any questions please feel free to contact me at junev@kis.ac.th

Thank you,

June van den Bos
Primary School Principal
