

December 1st, 2020

Dear Parents,

The Grade 1-Grade 5 Sports Day 2020 is nearly upon us, here are some details regarding times to put in your diary. Each grade will participate individually but the points will be collected together for grade and overall House Points total. The Event takes place this coming Friday December 4th, on the playing field, If the Air Quality is high, the activities will be moved into the sports hall. Times depend on the grade your child(ren) is in:

- Grade 1 8:00-8:45am
- Grade 2 8:45-9:30am
- Grade 3 9:50-10:30am
- Grade 4 10:30-11:10am
- Grade 5 12:00-12:50pm

As with every year, we ask that the students wear their House shirts, PE shorts and trainers to school. They also need to bring a hat, water bottle and apply plenty of sunscreen!

Friday 4th December is a normal school day, you may sign out your children once their final grade level event has been completed if you wish to get a jump start on your long weekend, however, school will continue as normal for the remainder of the day.

Please come along to cheer on your child. It's important we remember to not become overcrowded and do our best to distance ourselves, and wear masks at all times. We look forward to seeing you on sports day!

Be ready to cheer on and support!

Many thanks,

PYP PE Department
