- Understand that different challenges and situations require different strategies

**PSPE**

*Active Living:*

- Understand the importance of making healthy food choices, good hygiene, and being physically active

**Integrated Subjects**

**Thai, Art, Music, PE**

**Unit Overview:** This year-long unit is about how we form and build relationships with the people in various communities. Children will explore different skills of how to build and maintain positive relationships. They will also inquire into how relationships have grown and changed during COVID-19. The children will engage in various activities that will help them build a stronger understanding of how their behaviours and emotions impact relationships and the communities of which they are a part.
