

(EY1-G12)
FIELD TRIP PERMISSION FORM FOR ONE DAY TRIPS
ACADEMIC YEAR 2020-2021

At KIS, all field trips are recognized as an essential part of the extended curriculum, providing students with opportunities to make connections to their learning by participating in activities outside of the classroom. Field trips provide opportunities for students to take part in programmes and activities that support and extend learning that may otherwise not be available within the confines of the school campus. Field trips are defined as any trips that take place off campus within the school day. The school day is considered as the length of time that the child is participating in school related activities.

In the Primary School, G1 to G5 students are provided with regular opportunities to participate in local one-day field trips, this may include at least one per term up to one per unit, 6 per year. Additional trips that support units of inquiry will be approved on an individual basis. Field trips for Early Years 1, Early Years 2 and Early Years 3 are arranged at the teacher's discretion with the Principal's approval to suit the learning and developmental needs of the students.

In the Secondary School, students will be provided with regular opportunities to participate in local one-day field trips that support their units of learning throughout the academic year.

In order to take students on field trips, the school must have a permission form on file which must be updated annually. Parents will be fully informed of each field trip via email, closer to the date of the trip. By completing and signing the form below, you will be giving authorization for your child to participate in field trips planned for the 2020-2021 academic year. Should parents wish their child not to participate in any particular trip, they may do so; however it is parents' responsibility to inform the school in writing of their intention regarding any trips they do not wish their child to participate in.

Please kindly complete the information below and return it to the Athletics & Activities Department.
