

[New] Brief News From Our School Divisions and Athletics/Activities

Primary School:

From Ms. June:

Parent Conferences are next week in the Primary School. By now, everyone should have signed up for an interview time on the forms sent to you by your child's teacher. If you haven't managed to do this, please contact the teacher directly. As our meetings are being done via Zoom they will look and be a different experience for both you and the teachers. Here are a couple of helpful guidelines for a successful conference.

- Be on time for your meeting. The time period is not long, however, teachers are meeting back to back throughout the day making punctuality important
- Try to find a location where you can have a focused and confidential conversation without distractions.
- If you haven't already, please have a discussion with your child about their goals and what they are working on so you can use this information as a basis for your conference. This information was shared with you by the teacher earlier in the week.
- Please try to be a couple of minutes early to the conference and wait in the waiting room, you will be invited into the zoom room at your given conference time.

Many thanks for your support, any questions or feedback welcome, please enjoy your conferences.

Secondary School:

From Mr. Mike:

Please ensure you look out for important emails from the Secondary School Office regarding 3 Way Conferences in March for Grades 6-10 and 12.

Athletics and Activities:

From Ms. Shelley:

In August, KIS submitted an application for membership to the Bangkok International Schools Athletic Conference (BISAC). We have recently been made aware that BISAC has gone through an unexpected change.

Three schools; The International School of Bangkok (ISB), NIST International School and Bangkok Pattana School (BPS), have decided to remove themselves from the conference. There are now eight schools remaining in BISAC, which means that there will be no open spot for our school's membership.

The Athletics department is working with the Head of School and divisional leaders to refocus our efforts on developing a plan for the 2021-2022 school year. Parents will get more details as the plan becomes clearer.

If you have any questions about this circumstance, please reach out to me.

Shelley Wowchuk (shelley.wo@edu.kis.ac.th)

[Reminder] Kind Reminder: Primary School Drop-off and Pick-up

If you are dropping your children off in the morning (Early Years parents), please help us by making sure someone is on the playground and then say goodbye. In the Afternoon, all parents and caregivers are encouraged to pick up their child, sign them out and head home. We know that it's nice to stay with your child and watch them play and for you to socialize, but unfortunately at this time, we are trying to limit adult and parent access to the campus for health and safety reasons. We need to work together in partnership to ensure everyone is following the school expectations. Once we are able to relax our protocols we will let you know.

[Reminder] Parking Update

With after school activities having begun, parking spaces may be not as easy to find at various times of the day. We do ask for your patience and help in parking in spaces designated as Parent Parking spaces. If you have any questions or comments related to this topic, please contact Mr. Tossapol (Big) Trivithayakran, Finance and Facilities Director if you have any queries or need assistance.

[Reminder] KIS Risk Assessment form

Thank you for completing the KIS Risk Assessment form. We would ask that you resubmit the form if the travel circumstances for anyone in your family changes at any time. [KIS Risk Assessment form](#)
