

Plans For Week 1 In Grade 2

<p>G2 Classroom Activities</p>	<p>The focus for our first week of school will be to begin building our new Grade 2 learning community. Much of our these first days of school will be spent during class meetings and fun activities that will allow teachers and students to get to know each other. These activities will also help to get our students ‘tuned in’ to their new school year and engage their communication and self management skills. These activities will include storytelling, games, read alouds, songs, theater, and activities to prepare students for the beginning of the school year.</p>
