

8<sup>th</sup> March, 2021

Dear G5 Parents,

After some discussion and the recent slight relaxation of our Covid protocols, we are pleased to announce that the Grade 5 parents will be allowed to visit the exhibition this coming Wednesday 10<sup>th</sup> or Thursday 11<sup>th</sup> March. We apologize for the short notice, however you will need to [sign up on this form](#) selecting a time slot for your visit. Please make sure you are on time and leave at the end of your chosen session. *Families will be allowed no more than 2 adults per child and the time slots are set to ensure we are able to social distance and accommodate the number invited along with the students.* Please add both your child's name and class 5A, B or C. There are 6 slots only per time.

Siblings will be visiting along with their teachers (G1-G4) so will also be able to see the exhibition too. Time allocations will be 40 minutes long starting 9:50am on Wednesday and 8:10am Thursday.

For these two days students will not be attending specialist classes and will need to wear Black or navy, trousers, skirts, shorts or leggings which they will wear with their PYPX Shirt that will be provided for them.

For those of you who are unable to attend, the Exhibition will also be going live Wednesday via the Padlet link on the G5 blog.

Warm Regards,

June van den Bos  
Primary School Principal
