Grade Level	Learning Outcomes	Learning engagements	Success criteria/Assessments	Seesaw Activity / Google Classroom Engagement
G2	Students will start to be able to create their own electronic music and record it.	Students will use garage band to create simple, balanced music using an ABA structure and an awareness of moving in a 32 count pattern	Students will be able to locate and open garage band on their devices and select sounds and patterns they wish to use	
G3	Students will start to be able to create their own electronic dance music in a selection of musical forms and record it.	Students will use garage band to create balanced electronic dance music selecting genre, sounds, patterns and song length.	Students will be able to locate and open garage band on their devices and select sounds and patterns they wish to use, organising their music into balanced sections whilst making decisions on how their music will be shaped.	
G4	Students will follow a musical pattern using symbols to represent sounds	Students will follow written chord charts to play a familiar and unfamiliar four chord song	Students can follow a chord chart	
G5	Students will follow a musical pattern using symbols to represent sounds	Students will follow the 12 bar blues pattern to learn a song focussing on	Students can follow a chord chart
