

August 26<sup>th</sup>, 2019

Dear KG & G1 Parents,

### Invitation to join G1-Under Development Swim Team

Two years we opened our first G1-U Development Swim Team and it was a great success as it has helped students to be better prepared in Grade 2 and all the Swim competitions that come with it. Our School's swim program has continued to grow year after year as we have gone from a middle ranked school in our Sports conference swimming events to challenging for top spot and entering wider inter-school competitions.

There will be a limited number of spaces available to be a part of this squad, therefore please be informed that we will be running a try-out this Friday 30<sup>th</sup> August from 1:50-2:30pm. **There will be a sign-up sheet on the board just outside the Primary Office and will be open from Tuesday 27<sup>th</sup> morning till Friday 30<sup>th</sup> 8am. Alternatively you can email Coach Oh at [rattapon.bo@edu.kis.ac.th](mailto:rattapon.bo@edu.kis.ac.th) to sign your child up.**

Areas and skills that Coach Sathit and Coach Kate will be looking for are:

- Comfortable swimming in deep water (session will be mostly done in the Aquatics pool with our Platforms, 1m deep)
- Basic understanding of a minimum of 2 strokes (Backstroke, Breaststroke, Butterfly or Freestyle)

***Parents will be notified of the result via SMS on Friday 30<sup>th</sup>, evening time and you will be given a link to access the Sport's blog to view the result.***

#### **Training days and Commitment:**

Training will take place every Friday from 1:50-2:30pm as well as a ***morning training session every Wednesday 7am (in the pool!) till 7:40am (SEA will provide students with breakfast bag after training).*** Should your child be selected for the squad, they must be committed to the team and look to attend every session. The first lesson will start on Friday 6<sup>th</sup> September and first morning session will be on 11<sup>th</sup> September. Coaching will run until 22<sup>nd</sup> May 2020.

Please also be informed that ***we will be entering your child into the ANS Sprint Challenge, which is currently scheduled for 15<sup>th</sup> February 2020.*** Please ensure your child is free to attend this event as it will benefit your child's development and will be a great chance for your child to experience competition in a friendly and supportive environment. If at any point Coach Sathit feels that your child is ready (technically) to enter into additional weekend swim meets, I will communicate this to you well in advance of the event.

If you have any questions, please don't hesitate to contact me ([sam@edu.kis.ac.th](mailto:sam@edu.kis.ac.th)). Thank you for your continued support and I look forward to seeing all the keen Swimmers!

Yours sincerely,

Sam Holloway  
Athletics Manager
