

## **Visitor and Guest Information**

Welcome to ISB and the Panther Swim Team Swimfest 2019! We are so glad you can attend this event. We hope you will find any questions you may have answered here. If not, please see the friendly volunteers at the Panther Swim Table in the gym.

### **Entering Nichada and ISB:**

Security in the area is still very high. Buses will have no trouble entering quickly, but private vehicles may be asked for ID at the Nichada gate and at the ISB gate. At the ISB gate we will be accepting other school IDs if visible. Uniforms for athletes are also good.

To get to the pool please use the Pre-K playground entrance at the far-right side of the parking lot (when facing the school). There will be guards there and the playground leads right to the covered path to the 50 m pool.

**Where can we sit?** Guests are invited to sit in our bleachers or inside the gym with their swimmers. There are benches, tables and chairs behind the bleachers, inside the gym and in a few other locations around the pools for your use. ***You can not go upstairs or on the stairs.*** Upstairs is for coaches only and the stairs are unsafe to view from. Please respect the signs and the guards posted at the bottom of the stairs.

**Where can we get something to eat?** We have many, many food vendors for your eating pleasure. So there is no reason to pack big lunches. These vendors are located at the far end of the pool in the garden area. You can get to it by walking directly behind the pool bleachers. You are welcome to enjoy your snacks on any of the outside areas near the vendors, behind the bleachers or in the gym. Please note that no food is allowed in the bleachers, plastic bottle drinks are ok.

### **Where can I shop? Everyone loves to shop!**

As with years past we will have many vendors set up in our ISB market place, which can be found on the tennis courts. The following vendors will be in attendance: Inus, One and All, Areana, Tank, Finis, Funkita,

Amanzi, EMO, Jolyn and Rembrandt Photography. They have assured me there will be great sales and deals for all participants.

**Where can I find meet results?** We will be posting results on Meet Mobile throughout the meet. Paper results will also be posted in the gym. Remember scoreboard times are NOT official. Please check the posted results for official times.

**How can we help make the meet run smoothly?** Please write your swimmers events on their arm with permanent marker. Most swimmers use a grid format with event/heat/lane/stroke. This helps tremendously when marshaling events.

Event	Heat	Lane	Name
12	3	5	50 Free
28	2	8	100 Fly
36	7	1	200 IM

**Where can my swimmer get their meet gift and lunch coupon?** Each coach will be given lunch coupons and meet gifts to distribute to their swimmers.

**Are there any programs available?** Sorry, as with years past we will be as close to paperless as possible. Your coaches will be emailed the program and they will email it out and you can print them as you feel necessary.

**Have a great day! I Hope you enjoy the meet!**
